Priya Harris
Executive Director
Low Meadow Land Trust

Dear Priya,

I am pleased to confirm that the Board of the Osei Family Foundation has approved a challenge grant in support of the Hatch Farm campaign. The Foundation will match, dollar for dollar, gifts received by Low Meadow Land Trust for the Hatch Farm campaign between September 1, 2026 and November 30, 2026, up to a total match of \$50,000.

Gifts received after November 30, 2026, pledges not paid by that date, and gifts from foundations or government sources are not eligible for the match. Please send us a list of eligible gifts by December 15, 2026, and we will release the matching funds within 30 days.

We are proud to support the permanent protection of Hatch Farm.

Sincerely,

Elizabeth Evans
President
