Subject Price adjustment effective October 1, 2026

Dear customer,

Copper and brass costs have moved again this year and we are adjusting our list as follows, effective for all orders shipped on or after October 1, 2026. Please update your records; the items and codes below refer to our current price list.

1. General increases by category

Category	Increase
Fittings	+4.5%
Valves	+4.5%
Pipe & Tube	+7.0%
All other categories	no change

Percentage increases apply to the current unit price and are rounded to the nearest cent.

2. Items moving to a fixed new price

The following items are repriced individually. Where an item in this table also falls under a category increase above, the price in this table applies instead of the percentage.

Item code	Description	Current	New price
FX-4651	Lavatory faucet 4 in centerset	\$314.05	\$361.34
FX-4436	Utility sink 24 in	\$839.03	\$988.07
FX-4185	Garbage disposal 1/2 HP	\$159.17	\$181.63

FT-1042	Adapter 1-1/4" MIP x C	\$7.10	\$7.70
FT-1845	Adapter 2" MIP x C	\$19.10	\$20.94

3. Discontinued items

The items below are discontinued and will not be available after September 30, 2026. Remove them from your price list; we will ship remaining stock at the current price until then.

Item code	Description
FT-1748	Coupling 3/4" PEX crimp
PT-3604	PVC sch 40 2" x 10 ft
VL-2459	Gate valve 1-1/2" bronze
CS-6859	Flux paste 4 oz
